PRODUTOS QUÍMICOS SA

Grijó, 17 December 2008

DECLARATION

For the due effects, we certify that the products supplied by us to Valbopan are not classified as hazardous according to the EU directives, nor constitute a threat for the environment provided that all the good practices of application are observed.

Ecological information

The products do not add to the AOX-value of the sewage. (DIN EN 1485)

The products do not contain heavy metals in concentrations of concern for waste water.

The products do not release nitrogen which can contribute to eutrophication.

The products do not contain phosphates or organophosphorus compounds.

Toxicological information

Acute dermal toxicity: $LD_{50} > 2.000$ mg/kg (rat)

Irritant effect on skin: non-irritant (rabbit)

Irritant effect on eyes: non-irritant (rabbit eye)

Yours faithfully,

?
Hélder Gouveia
